

# Chevalier's high achiever

CHEVALIER COLLEGE CONGRATULATES MEMBERS OF THE CLASS OF 2015 ON THEIR OUTSTANDING PERFORMANCES IN THE HSC AND THE HIGH NUMBER OF STUDENTS WHO MATRICULATED INTO THE UNIVERSITY COURSE OR CAREER DIRECTION OF THEIR CHOICE.

College Captain Joel Bourke received an ATAR of 98.4, making him the Chevalier College Dux of 2015.

Congratulations are also due to Jacob Sgouros (98.1); Megan Delaney (96.6); Jack James (96.4); James Gabor (94.85); Georgia Rieber (94.45); Clare Shepherd (93.85); Chloe Lockett (93.7); Petar Majetic (92.95); Vesna Clark (90.55); Kate Young (90.45); Anna Reid (90.4).

The 167 Chevalier graduates received more than 120 university offers, representing a matriculation rate of nearly seventy per cent.

This is an outstanding achievement, with our students choosing a wide range of courses at universities throughout New South Wales, many of them selecting the University of Wollongong. Students from the Class of 2015 are pursuing studies in Music Composition, Law, International Studies, Nursing, Engineering, Pure Mathematics, Fashion Design, Journalism, Medical Science and Education.

Many other students are pursuing training and careers in major trades and vocations.

Whatever their chosen direction, we are proud of all of them and their achievements.

Our graduates are noted for their involvement in many areas other than education, with a number of our students heading overseas for 'gap years' working in schools in Europe; many become engaged in international aid projects and other community activities.

At Chev, we are proud that these young people go out to a diverse and rich future, for "The Heart of Education is the Education of the Heart." ■
