Important information for parents

The focus of the Portable Device Program at Chevalier College is to provide tools and resources to the 21st Century Learner. Excellence in education requires that technology is seamlessly integrated throughout the educational program. Increasing access to technology is essential for the future, and one of the learning tools of these 21st Century students is the portable device.

Mac1 Partnership Program

In partnership with Chevalier College, Apple Education Reseller MAC1 has developed program offerings to cater to a wide range of needs in the school community. With extensive 1:1 program experience across the many schools, we have learnt that a parent funded program requires more than simply purchasing technology.

MAC1 is proud to offer these unique iPad packages to those participating in the 1:1 iPad
