A great way to fill in your child’s Saturday morning. Friendly, active and fun!

Children will learn basic survival skills along with water games to bring a fun element to this great program.

Water familiarisation, breathing, diving, CPR and lifesaving skills such as how to place a life jacket on in deep water, making safe rescues and underwater retrievals.

The program will run every Saturday commencing the 18th October and run through until 6th December.

The sessions will run from 10.30am to 11.45am at Bowral Swimming Centre.

Please purchase a Highlands Flippers band on your way through the entry gate for $7 per session including pool entry.

If you would like to book your child in for the full 8 sessions there will be a discounted upfront fee of $48.

This program is aimed at participants between the ages of 6 and 14 years. Please note that if your child is 6 to 10 years of age a parent or guardian of a minimum of 16 years must remain within the pool premises. All children must be collected from inside pool grounds. Enrolment forms need to be filled in on your child’s first session. Children need to have water familiarisation and swimming ability to participate in the program.

There will be challenge days held for the Flippers on the 22nd November and the final challenge day to be held at the Christmas Family Fun Day 13th December 2014 —please bring your family members along to join in on the fun and cheer our Highlands Flippers on!
