Important Signs around Schools to Remember

Bus Zones
What does this mean?
No stopping or parking permitted. Can only be used if driving a bus.
Why is it there?
To provide a safe place for buses to set down and pick up passengers. Drivers parking in bus zones put lives at risk by forcing buses to double park and out of ‘their’ designated safety zone.

No Parking
How to Use?
You can stop here for a maximum of two minutes to drop off and pick up passengers. You must stay within three metres of your vehicle at all times.
Why is it there?
To provide a safe place for children to be set down and picked up without endangering other children and increase parking turn over during busy school times.

No Stopping
What does this mean?
You cannot stop in this area for any reason.
Why is it there?
To keep sight lines clear for drivers and children so both have more time to avoid accidents.

Help ensure our children are safe in school zones.

Illegal parking puts children and motorists at risk of injury or worse. Wingecarribee Shire Council Rangers will issue infringement notices, and make no apologies for issuing them in an effort to keep school zones safe.

You too, can help familiarise yourself with the parking restrictions around your school and teach your children to be safe around traffic.
