Chevalier College congratulates the HSC Graduates of 2014

At least 43 Chev students attained an ATAR of 80+, representing 32% of eligible students from the cohort. 18 of these students gained 90+, including 6 students who achieved an ATAR of 95+.

2014 CHEVALIER COLLEGE DUX

Mitchell Rowlett has been recognised as the Chevalier College Dux of 2014, with outstanding HSC results achieving an ATAR of 98.95. Mitchell excelled in some of the most challenging courses, including Chemistry, Physics and Mathematics Ext 1 & 2. Mitchell, who was the recipient of The Fred Stubenrauch Award for Academic Excellence and also The Father Robert Ripin Award for Outstanding Achievement in Mathematics at the College, hopes to study Philosophy at the Australian National University and undertake an independent Mathematical Research Project in an area of his interest.

TOP ACHIEVER

Serena Mevissen placed 8th in NSW in English Extension 2 and has been nominated for inclusion in the highly regarded BOSTES Young Writer's Showcase, an anthology of outstanding HSC major works. Due to the exceptional quality of the writing, we are confident that Serena's work will be published.

HSC SHOWCASE NOMINATIONS

A total of five major works from Chev students were nominated for the HSC Showcases, including:
- Callback (HSC Dance) - Elizabeth Ferguson (double nominee for Core Performance and Major Study Performance); Jessica Rusconi (Core Composition),
- Encore (HSC Music Concert) - Ricky Prohm

DISTINGUISHED ACHIEVERS

Chev students recorded a total of 46 Band 6 performances; many individuals achieved 2 or 3 Band 6 results across a wide spread of subjects.

OUTSTANDING SUBJECTS

Of the 34 courses sat by Chevalier College students, the following courses saw results recorded significantly above State average by the cohort: Agriculture, History, Business Studies, Construction, Dance, English Extension 2, History Extension, Legal Studies, Modern History, Music 1, Primary Industries, Studies of Religion 2.

PERSONAL ACHIEVEMENTS

Not every student will achieve the top ATAR or the top exam result. What brings great joy to the Chevalier community is seeing that our Year 12 students have grown as beautiful young people, developed their own abilities further and done their personal best in their studies. Our belief is that the Heart of Education is the Education of the Heart and we confidently and proudly congratulate the Class of 2014 for being wonderful people of Heart who will each make a difference in the world they are entering as young adults.

Congratulations to all our students, their families who have provided them with so much support, and the teachers and support staff who have worked with them over their six years at Chevalier College.

Chris McDermott — Principal
