**Dear student**

The following questions are to be completed by the **student**. To avoid duplicating information we suggest you read all the questions before starting. You might like to complete a draft before writing on the form. You are welcome to discuss your answers with your family as they may be able to help you identify things about yourself that you do not realise. This is not a test, but simply an opportunity for you to introduce yourself to us. If you are unable to answer a question, that is fine, leave it blank.

1. Describe yourself as a student.
2. What are your areas of strength with regards to schoolwork?
3. What are the areas that need development with regards to your schoolwork?
4. Explain how you are active in one or more interests outside academic pursuits, such as sport, music, arts or other extracurricular activities. Include any activity that demonstrates teamwork or citizenship through volunteer work.

5. Describe your values and behaviours and how they are consistent with the MSC ethos. If you are unsure what this means please visit: <https://www.chevalier.nsw.edu.au/our-college/msc/>

6. How would your friends describe you?

7. How does your family support you in your studies and interests?

8. What do you think being part of the Chevalier community means?
