The fee and due date for payment of these additional costs for these elective subjects will be advised in writing to individual families when applicable.

### Payment of Fees

The College has partnered with Edstart to improve our school fee payment options. With the aim of providing additional flexibility with fee payments, we are transitioning families to Edstart Plus. Commencing January 2023, the College will no longer be accepting school fees directly

With Edstart Plus, families will have access to more options with their school fee payments, including:

- Options to pay weekly, fortnightly, monthly, per term, or annually – by selecting the schedule that works for you.
- The ability to choose a preferred day for when payments are made.
- The option to spread your fees during the year over a full 12-month period instead of 10 months.
- The flexibility to adjust payments at any time.

There are no fees or charges for using Edstart Plus for your Chevalier College tuition fees.

To set up your Edstart account, please visit [edstart.com.au/chevalier](https://edstart.com.au/chevalier). Edstart will then pay your College fees on your behalf when they are due and activate your regular repayments as part of your plan.

## **Building Fund**

The building fund is a voluntary, tax deductible donation and will appear on you invoice (fee statement). This is a valuable contribution to the overall revenue required for the development of the College.
