Payment of Fees

The College engages Edstart to act on our behalf to collect school fees. The College does not accept payment of school fees directly.

With Edstart Plus, families have access to more options with their school fee payments, including:

- Options to pay weekly, fortnightly, monthly, or annually by selecting the schedule that works for you.
- The ability to choose a preferred day for when payments are made.
- The option to spread your fees during the year over a full 12-month period instead of 10 months.
- The flexibility to adjust payments at any time.

There are no fees or charges for using Edstart Plus for your Chevalier College tuition fees.

To set up your Edstart account, visit edstart.com.au/chevalier. Edstart will pay your College fees on your behalf when they are due and activate your regular repayments as part of your plan.

Building Fund

The College Building Fund allows families to make a voluntary tax-deductible contribution. This contribution by you is a tax-deductible donation.

At the time of the annual fee statement, you will also be provided with information on suggested options for a tax-deductible donation per family. You can of course donate more or less than the suggested amount. All we ask is that you consider contributing what you can based on your own circumstances, so we can continue to upgrade and maintain our facilities. Your support will provide benefits for your child now and other children into the future, just as we now enjoy the facilities built by the generosity of past families.

For further information, please refer to the Supporting Information for College Fees document, which can be found on the College website under College Fees.
